

OFFICE OF THE DEPUTY DIRECTOR

19 September 1984

TO: Director of Personnel

FROM: EA/DDCI

The DDCI would like you to provide him another recommendation regarding what to do, if anything, about the NIESO Career Service in light of the recent IG Survey. The IG's recommendation and the thrust of NIESO's reaction is attached. You'll probably want to get additional background on the IG's findings.
